PERMISSION TO USE RESEARCH RESULTS

Dear Client:

Thank you for allowing me to help you in your genealogical research. I hope you find the report of my findings informational and useful.

As a genealogist, I not only do genealogical research but also write and share my research experience with fellow genealogist. Every five years board-certified genealogist must submit samples of their work to the Board for Certification of Genealogist (BCG). Only three BCG judges will see the work sample. In all other cases, no information on living people will be shared.

Please initial the below statements to which you agree and return this form to me via mail to the below address or scanned image attached to an email to matthew@branchesandroots.us.

Thank you-
Matthew
